

# Volunteer Application

GROUP APPLICATION | JULY 2ND - 5TH 2020

Dauphin's Countryfest supports groups and organizations through the Volunteer Incentive Program by providing fundraising initiatives in the form of working at the festival in exchange for a monetary donation. Each group selected to provide a service for Countryfest is rewarded according to the job performed. Each group or organization is required to have one point of contact for Countryfest. This point of contact will be responsible for organizing the group's volunteers and shifts. Applications are reviewed on an as-needed basis. All successful organizations will be contacted.
